CORRECTED FILING OF EXHIBITS FOR  
DECLARATION UNDER 37 C.F.R. § 1.132 AND  
REPLY TO OFFICE ACTION MAILED OCTOBER 24, 2008

Dear Sir:

On January 26, 2009, a Reply to Office Action Mailed October 24, 2008 and Declaration under 37 C.F.R. § 1.132 were electronically filed with the USPTO, along with a multipart document containing Exhibits A, B, and C as referred to in the Declaration. In the course of compiling the multipart document, the exhibits were inadvertently assembled out of order, so that Exhibits B and C were incorrectly indicated. The multipart document in this filing corrects this error, correctly assembling and identifying the exhibits.

No change has been made to the content of the exhibits.

The Commissioner is authorized to charge any additional fees and/or credit any overpayment to Deposit Account No. 08-2025 (200501394-1).

Respectfully submitted,

Date: Feb 4, 2008
